

Safety Data Sheet #2 Utility Grade Sweeping Compound

Section 1

Product Name: #2 Utility Grade Sweeping Compound

MSDS Date: Update 4/1/15

NSN: 7930-00-132-5265

Distributor: Uline Shipping Supplies

12575 Uline Drive

Pleasant Prairie, WI 53158

Phone: 1-800-295-5510

Emergency Telephone: Chemtrec- 1-800-424-9300

Product Identification:

Chemical Name: N/A

Formulation Components:

- 1) Hydrotreated Heavy Naphthenic Distillate – Petroleum Hydrocarbons
- 2) Hardwood Sawdust
- 3) Silicon/Dioxide S102

Sweeping compound is used in cleaning floors. It is spread on floors then swept up.
Utility grade #2 sweeping compound is used on unfinished concrete and wood floors.

Section 2

Health Hazard Data:

None

Skin irritation can be avoided by wearing gloves when using sweeping compound.
If contacted with skin wash thoroughly with soap and water.

Section 3

Chemical Name: N/A

Formulation Components:

Hydrotreated Heavy Naphthenic Distillate – Petroleum Hydrocarbons
Hardwood Sawdust
Silicon/Dioxide S102

The percentage of composition of these components is a trade secret.

Section 4

Routes of Exposure and Signs and Symptoms of Exposure:

Inhalation: Irritation of the respiratory system, cough, shortness of breath, wheezing

Eye Contact: Swelling, discomfort associated with foreign substance within the eye

Ingestion: Mild discomfort, vomiting

Emergency and First Aid Procedures:

Inhalation: If inhalation occurs, remove personnel from contaminated area to fresh air

Eye Contact: Flush with water, refer to physician

Skin Contact: Wash thoroughly with soap and water

Ingestion: Induce vomiting and consult with a physician

Section 5

Fire and Explosion Data:

Flash Point and Method: 345° F COC Auto ignition T

Flammable Limits: Upper-N/A, Lower-N/A

Extinguishing Media: Water, Foam, CO₂

Special Fire Fighting Procedures: NIOSH/MSHA self-contained breathing apparatus should be provided for confined areas. Do not enter any enclosed or confined fire space without proper protective equipment.

Section 6

Spill/Leak Procedures:

Sweep into proper receptacle

Avoid airborne dust

Wear personal protective equipment

Dispose in accordance with local, state, and federal regulations

Section 7

Handling and Storage:

Store material in a dry area with containers tightly closed

Avoid physical damage to containers and avoid creating airborne dust

Do not store product with food and/or tobacco products

Section 8

Protective Equipment:

None required

Safety glasses - Optional

Protective Gloves for handling material is recommended

Dust Respirator – Optional

Occupational Exposure Limits:

Sawdust – OSHA recommends standard maximum permissible concentration 5.0 mg/M3 at an 8-hour time weighted average

Oil – OSHA recommends standard maximum permissible concentration 5.0 mg/M3 at an 8-hour time weighted average

Sand – NIOSH recommends standard maximum permissible concentration of 0.05 mg/M3 as determined by a full shift sample up to 10 hour working day, 40-hour work week

Section 9

Physical Data:

Boiling Point: N/A

Freezing Point: N/A

Specific Gravity: 1.5

Melting Point: 844° C

Solubility in Water: N/A

Reactivity in Water: N/A

Appearance and Odor: Sawdust-Sand-Oil Mixture, Slight oil and lemon odor

Section 10

Reactivity Data:

Stability of Product under Normal Conditions: Stable

Incompatibilities: Strong acids, Alcalilies, and Oxidizers

Hazardous Decomposition Products: Burning or excessive heating may produce
Carbon Monoxide and other harmful substances

Hazardous Polymerization: Not subject to polymerization

HMIS Rating:

Health – 1

Fire – 0

Reactivity – 0

Section 11

Likely routes of exposure and immediate effects:

Inhalation: Irritation of the respiratory system, cough, shortness of breath, wheezing

Eye Contact: Swelling, discomfort associated with foreign substance within the eye

Ingestion: Mild discomfort, vomiting

Numerical measures of toxicity: N/A

Symptoms:

Inhalation: Cough, shortness of breath, wheezing

Eye Contact: Swelling, tearing, discomfort associated with foreign substance within the eye

Ingestion: Vomiting
