.

SECTION V - Reactivity Data

Stability: Stable Conditions to Avoid: Heat and sunlight.

Incompatibility (Materials to Avoid): Not applicable.

Hazardous decomposition or byproducts: None.

SECTION VI - Health Hazard Data

The TLV of the mixture has not been established.

1. Effects of Acute accidental Exposure:

Eye Contact: CAUTION, eye irritants.

Skin Contact: May induce hypersensitivity and elicit reaction on sensitized people.

Inhalation: Not applicable.

Ingestion: Non-toxic.

2. Effects of Chronic Exposure. For purposes of chronic exposure under the OSHA Hazard Communication Standard this is an untested mixture.

These products have been used extensively by consumers and Clairol is not aware of any significant adverse effects.

3. Route of Entry: Ingestion: Yes Skin: Yes Inhalation: Not applicable

4. Medical conditions generally aggravated by exposure will be related to the primary toxic (pharmacologic) effect of this material; pre-existing dermatitis would likely be made worse by a skin irritant, bronchitis is aggravated by irritant gases or particles in the air.

Emergency and First Aid Procedures (Contact Poison Control Center)

1. Eye Contact: Remove contact lenses if used. Flush immediately with plenty of water. Get medical attention immediately.

 Skin Contact: Change into clean clothing if spilled on clothes and wash immediately with soap and water (do not use solvents). If allergy develops consult dermatologist.

SECTION VII - Precautions for Safe Handling and Use Steps to Be Taken in Case Material is Released or Spilled:

Mop and flush with water. Floors can be slippery when wet. Wash floors with detergent and water.

Waste Disposal Method:

Disposal should be in accordance with all applicable Local, State, and Federal Regulations.

Precautions to Be Taken in Handling and Storing:

Keep out of reach of children
Other Precautions: None.

SECTION VIII - Control Measures

Ventilation: Special ventilation not required.

Eye Protection: None required. Avoid contact with eyes. Protective gloves: yes. Respiratory protection: None required.

Work Hygienic Practices:

Always follow good hygienic work practices. Avoid all skin, eye, and clothing contact with products. In case of contact, rinse thoroughly with water. Promptly clean up all small spills.

.

DOT Class: Not Reculated IATA/ICAO: Not Regulated

IMDG: Not Regulated
